

Pertti Alasuutari, University of Tampere

## Ethnicity, Nationality and the Tribe of the Modern

Wednesday, May 19th, 16:15 - 18:00

Swedish School of Social Science,  
room 210

Snellmaninkatu 12 (entrance from  
Yrjö-Koskisen katu)

Pertti Alasuutari is Academy Professor at the University of Tampere. He is interested in the cultural aspects of social life and especially in their links to power and politics. His areas of specialization are everyday life and identity construction, media reception and audiences, cultural dimensions of globalization, social and cultural theory, and methodology of social research. His current research projects deal with the harmonization of global social change and with the domestication of ubiquitous communication.
